## Workgroup Document System

**Konica**

### Flexibility for your Workgroup.

The Konica 7118 Workgroup Document System is the latest exciting introduction in Konica's series of multifunctional workgroup models. Designed from the ground up to provide a robust multifunctional solution, the Konica 7118 is an 18 page-per-minute, digital MFP with integrated copier, printer, fax and scanner capabilities. The Konica 7118's modular design makes it flexible enough to grow with the changing needs of your business. Featuring true 600 x 600 dpi copy resolution, the 7118 offers crisp, clean output. The optional IP-413\* PCL print controller and the optional FK-117\* fax kit add even more flexibility for the busy workgroup. Other available features, such as a 50-sheet bypass tray, a job separator, a sorter and 50-sheet ADF will let you build the 7118 into a true multifunctional workhorse for your business workgroup environment.

### 7118 Highlights

- ▶ 18 ppm Printing/Copying

- ▶ Optional Internet Fax Kit (IF-102)\*
- ▶ 16 MB Std. Copier Memory (Upgradable to 48 MB)
- ▶ 4 MB Std. Fax Memory (Upgradable to 12 MB)\*
- ▶ 32 MB Std. Print Memory (Upgradable to 160 MB)\*
- ▶ 1,300 Sheet Maximum Paper Capacity
- ▶ Intuitive Control Panel Layout

# 7118

## Workgroup Document System

### Features

#### ▶ Integrated Copying, Printing, Faxing, Scanning:

The Konica 7118's digital, 18 pages-per-minute engine with scan once print many capability delivers 4-in-1 multifunctionality in an easy-to-use and reliable package for the business workgroup environment.

#### ▶ Compact, Flexible, Modular Design:

Start with the basic copier, then add print, fax and scan options and the stand-alone copier becomes a truly customized multifunctional product. The 7118 is designed to grow as your business needs grow.

#### ▶ Connectivity:

The optional IP-413\* print controller with PCL5e and PCL6 emulation, available KN-305\* network interface card which supports 10/100 BaseT, TCP/IP, and IPX/SPX protocols and memory upgrades, enable the Konica 7118 to offer incredibly efficient single and multiple user printing solutions to fit virtually any printing need.

#### ▶ Optional Fax Kits:

Also offered as options for the 7118 are the Super G3 fax kit (FK-117)\* and the Internet fax kit (IF-102)\*, both of which enable the 7118 to have more functionality. The Super G3 offers a 33.6 Kbps modem, Super G3/JBIG compression, full auto-dialing, automatic redial, and chain dialing. The included TWAIN driver allows for convenient fax to PC scanning. The Internet Fax Kit allows e-mailing of faxes and network scanning capabilities. The Konica 7118 can also be ordered as a 7118F with the fax kit already included.

#### ▶ Standard High Quality:

With 600 x 600 dpi the 7118 provides professional documents the way you want them every time.
